

## Dear parents!

Let us introduce the new system used in our school cafeteria. We have created a possibility to order and select your lunch via internet.

To register and order you meals via internet, please, follow the instructions:

### How to register:

- Visit the school cafeteria manager's office with the **application form** attached below. You will select your username and password. Please, prepare these in advance.

**Username** - can contain the number and the letters without the punctuation marks

**Password** - can contain the number and the letters without the punctuation marks

You can also add your **email address** where the system will send the following information:

- order confirmation
- insufficient account balance
- monthly overview

Your password, email address can be altered in the Settings section.

### How to order your meals:

- A day after the registration your meals can be ordered on [www.strava.cz](http://www.strava.cz)

There is a mobile app available for iOS and Android from App Store / Google Play. You can choose English language option.

- Sign in using your username and the password.
- Fill in the **canteen number 9032** and you are logged in 'your' canteen.
- Now, you can order or cancel your meals.

(to be cut and handed in to the school cafeteria manager)
