## 6. Applicants with special educational needs (SEN)

Organization of the admission procedure including students with SEN (special educational needs) shall comply with section 65 (2) of the act 245/2008 coll. defining the form of the student's entrance examination taking regard of the student's diagnosis, based on the report of the diagnostic examination carried by school counselling and preventive institution the student has registered with (the report shall state the limitation group and recommendations to adjust conditions of the entrance examination). The report must not date back to more than two years and it shall be submitted to school no later than **on 15 April 2022**. Adjustments to be made to the entrance examination of the applicant shall be decided by the head of school (time extension, large print, separate room for SEN students, etc.).

## 7. Evaluation documents

Evaluation documents (except for the completed application form for study at the secondary school – clause 2, written statement and a recommendation for access – clause 6, certificate for disabled or handicapped children – clause 8) must be submitted to Spojená škola, Pankúchova 6, Bratislava by **2 May 2022**. The documentation includes pupil's certificates, diplomas and result lists proving pupil's achieved rank, certificates of study in the English language, and other documents proving pupil's performance.

## 8. Admission criteria

Rank of candidates who have passed the entrance exam (in line with clauses 5) based on total score (in line with clauses 4a-d) in descending order. **Maximum number of pupils to be admitted** to MYP international programme (3 MYP) **is 26**.

Cases of identical scores shall be resolved upon the following criteria:

- a) Disabled or handicapped children (Article 67(3) of the Act 245/2008 requires certificate of the social insurance medical examiner submitted by the legal representative of the pupil to the office of the Head of school no later than 3 working days prior to entrance exam),
- b) Higher score in the English language test and interview in English,
- c) Higher score in the test in Mathematics,
- d) Higher credit for language skills attained beyond the scope of primary school.

9. Selection process results will be published at the website ([www.gympaba.sk](http://www.gympaba.sk)) **by 18 May 2022**. The list of pupils will be anonymous whereas applicants are assigned an identification code (an external code generated by school or Edupage). The external school codes will be provided to the legal representatives in invitation to the entrance exam. Results will be presented in the list of successful and other applicants whereas successful candidates will be ranked by total score and divided into candidates admitted and applicants rejected due to lack of place.

10. Pupil's absence at the entrance exam for serious reasons such as illness, long-term residence outside Slovakia, entrance exam date conflicts shall be explained by the legal representative of the applicant in writing **no later than 8:00 am on the same day of the entrance examination** before the office of the Head of school and submission of the valid document certifying the reason of absence. Number of admitted pupils shall be lowered by the number of absent candidates excused as given above. Results of those pupils who passed their entrance exam in the extra time shall be included in the rank of rejected candidates. The resulting rank and the established criteria shall define the required number of successful candidates.

11. Admission or rejection decisions shall be served by the Head of school to the legal representatives by **18 May 2022**. Legal representative shall confirm the candidate's acceptance (non-acceptance) to study by **23 May 2022** (date of receipt by the secondary school). If the candidate does not enrol for the indicated date, the decision admitting the candidate to study at the secondary school shall become void (Article 68(3) of

the School Act). The Head of school shall subsequently offer the vacancy to the next candidate in the rank of successful candidates who were not admitted due to lack of place.

12. The present admission process criteria were discussed by the School board of teachers and the Board of school.
