

## **Information for New Students**

Students who have not registered in the School Cafeteria (hereinafter referred to as "SC"), whether altogether new or simply new to the SC, must fill out the application form found [HERE](#).

Those who have previously registered with our SC do not need to submit the application again.

## **Food Intolerances**

The SC is currently not equipped to prepare meals for students with food intolerances. All students who wish to bring their own food must provide confirmation from a medical specialist (not a general practitioner) at the beginning of each school year, either in person or by email to [jedalen@gympaba.sk](mailto:jedalen@gympaba.sk). This applies to all diners, those who are new and those who have already signed up for the SC.

## **Choice of Two Meals**

Two meal options are prepared during the school year from October to May, Monday through Thursday, provided the SC is fully staffed.

## **Canceling Lunches**

Lunch cancellations can be made no later than 7:45 a.m. for a given day. All diners automatically have meal option 1 pre-selected. Changing to meal option 2 must be done 24 hours in advance, exclusively through Edupage.

## **Paying for Lunches**

Lunches must be paid in advance by the 25th of the previous month. An exception is made for new diners for September.

Please do not set up standing orders for meal payments.
